CARBONDALE HISTORICAL SOCIETY

Post Office Box 151, Carbondale, PA 18407

November 22, 1982

Congressman Joseph M. McDade
307 Clark Avenue
Clarks Summit, PA 18411

Dear Congressman McDade:

Carbondale does not need a new post office. To spend a half million dollars on a new post office in Carbondale is to misuse taxpayers' dollars. If federal money is available for use in Carbondale, it should be used to remodel the present post office and to restore and rehabilitate other historically and architecturally important buildings in Carbondale. To move the post office from its present building is to jeopardize the life not only of Main Street but also of Carbondale itself.

Sincerely yours,

S. Robert Powell
President
